

My name is Mrs Roberts and I am a Teaching Assistant at Woodlands Nursery.

We have been observing and creating bonds with all of the children. From this we have put each child with a member of the Nursery Team.

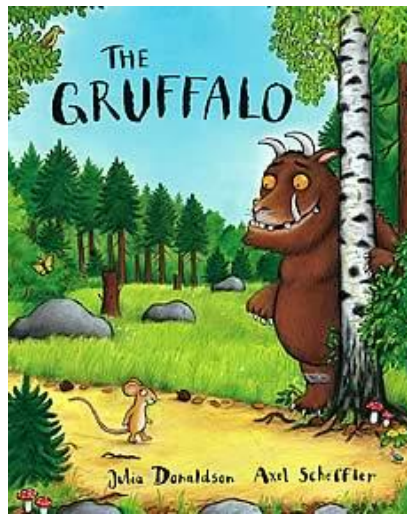

I am delighted to be your child's key person.

About me:

I really love dogs (I have my own!), Disney and gymnastics!

My favourite book and film is:

What's yours?

My favourite area in the Nursery Environment is the home corner!

The home Corner is the perfect place for imaginative play where we can work together, express our feelings and communicate with each other while having fun!

Our key person group is called 'The Caterpillars' because they love to explore and go on a big adventure- transforming into a butterfly! Just like you are about to learn and grow. I cannot wait to do it together!
