

My name is Miss Dann. And I am one of the Teaching Assistants at Woodlands Nursery. We have been observing and creating bonds with all of the children. From this we have put each child with a member of the Nursery Team.

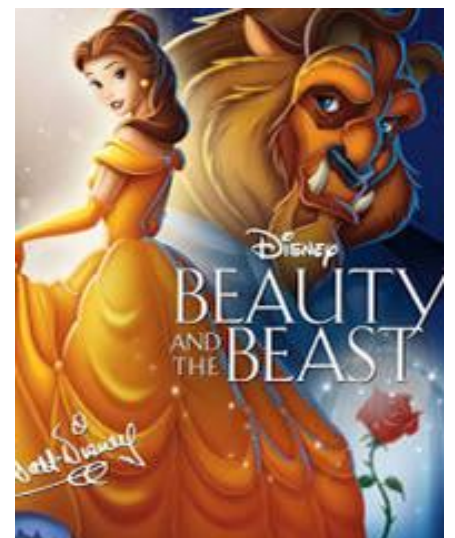

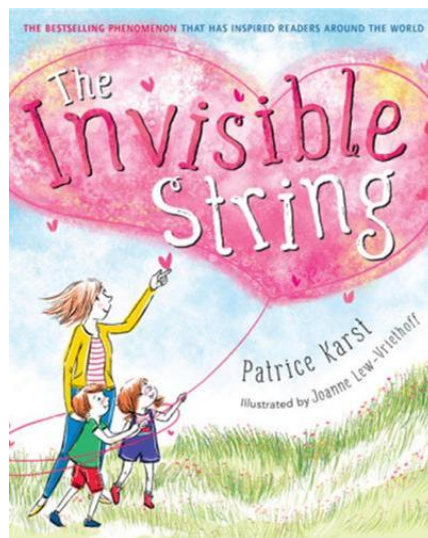

I am delighted to be your child's key person this year alongside Mrs Winfindale.

About me:

I really enjoy role play, reading stories and playing outside.

My favourite book and film is:

What's yours?

My favourite area in the Nursery Environment is the garden!

Our key person group is called 'The Butterflies' because Butterflies are very special creatures who have grown and blossomed into beautiful creatures just like how you will grow in nursery and become the best you can be!
