

## What happens if my child has difficulties with learning?

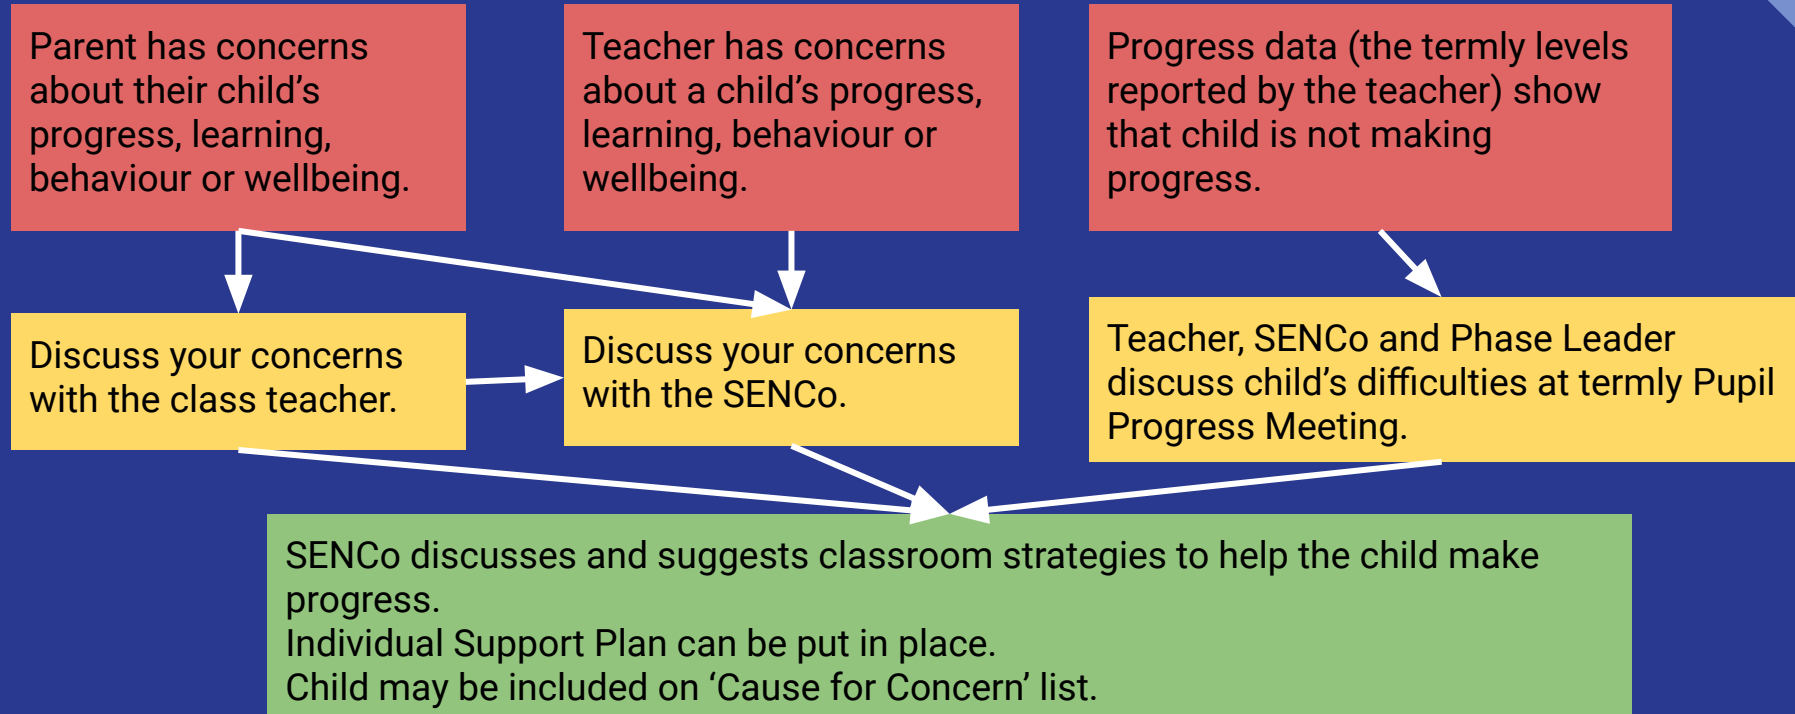

GREENSHAW  
LEARNING TRUST

This flow diagram show what happens if parents or teachers have concerns about a child's progress, learning,behaviour or wellbeing.

Parents are encouraged to talk to their child's class teacher or make an appointment to see the SENDCo directly if they have concerns about their child's learning.

Child's progress is reviewed regularly by teachers & SENDCo and discussed with parents.

**Child's progress is good**

Child is removed from Cause for Concern list. Progress continues to be monitored by class teachers.

**Child is starting to make progress**

Child remains on Cause for Concern list. Progress continues to be monitored by teachers & SENDCo.

**Child is still not making progress**

SENCo consults parents to suggest that child is included on the SEN Register.  
See SEN Register section for information about what happens next.

Individual Support Plan is continued and reviewed 3 times a year.
