Tasks set	Task: A local TV company is looking for short films that show life in the 21 st Century for young people; you should create a short film in any style that shows what your life is like. Objective: to show your skills with camera work, audio, editing, framing and construction of a short film.	
How this links to the exam specification	In Level two you will be required to complete a short video to show your skills (unit 4). This project will allow us to see what level you are already on and where you need direct help with your film making.	
How to complete the task:	Make a short film or movie about yourself. This can be in any style from a YouTube style piece to camera or you making a full autobiographic movie about yourself. You don't have to be in the movie but your presence should be felt. Your movie should be between 1 and 2 minutes long. In unit 4 we will be making short films and you must be able to show your skills in film making, editing and pre-production. Either: Email your finished piece to gpickles@brimsham.com or bring in your movie on a hard disk or pen drive.	
Resources or links	The best place for hints, tips and information on how to create short films or movies is YouTube and the internet. Here are some places to start : filmmakingstuff.com learnaboutfilm.com/how-to-make-a-movie/
